Permit Type(s): RESIDENT EXHIBITING

JEANNIE R LAWRENCE
RANCHO LAS LOMAS
19191 LAWRENCE CYN
SILVERADO CA 92676

AUTHORIZATION(S):

RESIDENT EXHIBITING AUTHORIZATIONS

May import, export, transport, and possess only those species listed on the attached Department approved permit inventory for commercial and/or educational exhibition purposes.

LOCATION(S) OF ANIMALS:

19191 LAWRENCE CYN, SILVERADO, CA 92676

CONDITION(S):

RESIDENT EXHIBITING CONDITIONS

1. The permittee is required to follow all of the applicable requirements listed in §671, Title 14, of the California Code of Regulations (CCR).
2. The permittee may add new species to the inventory only with prior written approval of the Department or as specified on the permit.
3. The permittee is responsible for renewing this permit prior to its expiration or providing notification to the Department upon transfer of animals which require renewing the permit.
4. Animals authorized by this permit shall not be transferred to persons within California unless that person has a restricted species permit authorizing that animal or species possession.
5. This permit or a copy must be in the possession of any person in possession of animals and must be immediately presented on demand by any enforcement officer.
6. This permit is not transferable.
7. Breeding is not authorized unless specified in the permit authorizations.
8. Pursuant to §671.1(a)(8), Title 14, of the CCR, restricted species imported into California under the authority of this permit must be accompanied by a current health certificate issued by a USDA accredited veterinarian stating that the veterinarian has examined the animal and has found that they are not exhibiting any signs or symptoms of any infectious or contagious disease. A copy of the health certificate shall be submitted to the Department within 10 business days of issuance. Health certificate may be submitted via fax at (916) 419-7586 or e-mail at spu@dfg.ca.gov.
9. Pursuant to §671.1(b), Title 14, of the CCR the original permit and any subsequent amendment are subject to changes if the Department determines that an amendment is necessary to protect native wildlife, agriculture interests, an animal's welfare, and/or human health and safety.
10. Pursuant to §671.1(c)(2)(D), Title 14, of the CCR, a permittee shall have on file with the Department at all times copies of their current USDA license and most recent USDA inspection report/form if the license is required by USDA.
11. Pursuant to §671.1(c)(2)(I), Title 14, of the CCR, a permittee shall have on file with the Department at all times copies of all current USFWS permits if a permit is required by USFWS.
12. Pursuant to §671.1(c)(2)(N), Title 14, of the CCR, requires permittee to provide written notice, to the Department at least 10 business days prior to receipt or transfer of an animal within or out of the state and within 10 business days after the death of an animal. The notice shall include the common name, scientific name, sex, and age of the animal, the date of the acquisition, transfer or death. The notice shall also contain the unique identification method for animals to be acquired or the unique identifier for animals being transferred or reported deceased and the name and address of where the animal is being acquired from or transferred to within or outside of the state if applicable. Research and AZA permittees shall provide notice only for the animals designated as detrimental and for which a permit is required. Notice may be submitted via fax at (916) 419-7586 or e-mail at spu@dfg.ca.gov.
13. Pursuant to §671.1(c)(5), Title 14, of the CCR, the Department may revoke this permit at any time.

DISCLAIMER: THIS PERMIT DOES NOT SUPERSEDE APPLICABLE LAWS OF ANY OTHER LOCAL, STATE, OR FEDERAL AGENCY.
